Let us pour you a glass of Gershwin, a pitcher of Peggy Lee or a jug of Louis Jordan. Or relax with a Henhouse Twist; an unexpected song shaken up like a 30s cocktail!

The Speakeasy Spirit

As Prohibition came and went, Hollywood glamour and a new attitude spread like fire around the globe. Paris, London, Berlin and the sky-scraping American mega-cities welcomed loosening Victorian corsets.

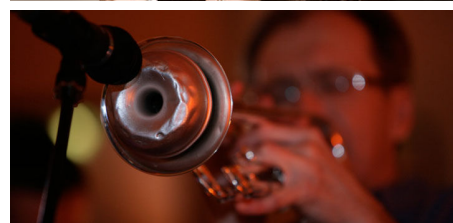

The underground Speakeasies with their passwords and secret-knocks grew into jazz clubs, blues dens and anything-goes clubs; places for folks who liked to indulge their vices without being watched.

The Henhouse Band

Built on the sounds from the pre '40s jazz and blues dens, the Henhouse Band is available for hire in various formations to suit budget, event and location. The line-up can be varied from a stripped back jazz trio to a seven-piece cabaret band and can include vocals, piano, guitar, ukulele, bass, trumpet, saxophone, clarinet, drums and percussion.

Henhouse Events

Hire just the band or let us organise your entire event for you, drawing on the Henhouse Family of musicians, magicians, burlesque dancers, comedians, DJs and vaudeville performers for an original and unforgettable day!

"Sometimes cheeky, often blue, consistently on the money and always, always sexy."
